

## REMARKS

Claims 9-18 are allowable over the prior art of record. The claims have been amended by rewriting claim 19 and canceling claims 1-7 and 20. Claims 8, 9-18, 19 and 21-24 remain in the application.

Reconsideration of this application is respectfully requested.

### Claim Rejections - 35 U.S.C. § 102(e):

Claims 1-7, 19, 21-24 are rejected under 35 U.S.C. § 102(e) as being anticipated by Bockelman (6,510,191 B2).

Claims 1-7 have been canceled. Claims 19 and 21-24 are addressed below.

### Claim Rejections - 35 U.S.C. § 103:

*Claim 8 is rejected under 35 U.S.C. § 103(a) as being obvious over Bockelman (6,510,191) in view of Gore et al. (6,484,038).*

Applicants have filed a Statement showing that the subject matter of the reference and the claimed invention were, at the time the invention was made, owned by the same person. The rejection under 103(a) is thus overcome and claim 8 is in condition for allowance.

*Claim 20 is rejected under 35 U.S.C. § 103(a) as being obvious over Bockelman (6,510,191) in view of Gordy et al. (6,346,477).*

Independent claim 19 has been amended to include the elements of dependent claim 20, now cancelled. As stated above, Applicants have filed a Statement showing that the subject matter of the reference and the claimed invention were, at the time the invention was made, owned by the same person. As such, claim 19, as amended, is believed to be in condition for

allowance. Claims 21-24 are dependent claims that provide further limitations to an allowable claim 19 and are therefore also in condition for allowance.

Allowable Claims:

Claims 9-18 are allowable over the prior art of record. Applicants appreciate the allowance of claims 9-18.

Accordingly, this application is believed to be in proper form for allowance and an early notice of allowance is respectfully requested.

Please charge any fees associated herewith, including extension of time fees, to 50-2117,
